

Cynthia Jellison

Under the direction of Cynthia Jellison, the White Mountain Chorale has been providing outstanding choral musical experiences to the White Mountains for many years. The Chorale is a community wide, non-auditioning singing group with membership comprised of part-time and full-time residents in the White Mountains of Arizona, to include the areas of Pinetop/Lakeside, Show Low, Taylor/Snowflake & Whiteriver.

In addition to the choral performances, the Chorale also provides music scholarships and performance opportunities to young musicians and performing artists in the White Mountains.

We welcome anyone who has an interest in singing to join our Chorale family. For more information on joining the White Mountain Chorale, visit www.whitemountainchorale.org

Everyone is welcome to our concerts. We hope that you will join us at one of our upcoming performances!
