

WHITE MOUNTAIN Jewelers

"Discover the Treasures"

Peter Tims, a third generation jeweler, is the owner and founder of White Mountain Jewelers.

He began his training at the age of eight when, with the help of his father, he started cutting semi-precious gemstones. By age ten, Peter was designing and fabricating silver jewelry, which led him to a six year apprenticeship with a Master Goldsmith. He then spent two years working with and learning from a Master Watchmaker.
