

2nd Annual Photography Show

Show will be held at the AAWM Center for the Arts, 251 Penrod, Show Low

June 25th through July 10th, 2021, from 10am – 4pm

This show is open to any artist living in Arizona. Entries must be made by the artist. **Your entries, forms, and fees must be received by Wednesday, June 23rd, at noon, no exceptions.**

AAWM reserves the right to use photographs of the entries and the artists for publicity purposes. Entries will be handled with all possible care, however, the Arts Alliance of the White Mountains (AAWM), and AAWM volunteers, will not be responsible for any loss or damage to works brought to this show. Entering this show shall constitute an understanding, and an agreement, on the part of the artist, with these terms. Insurance, if desired, must be carried by the artist. There is a 20% commission on sales.

Awards will be presented on Saturday, July 10th at an 11am reception. All items must be taken home by Saturday, July 10th at 1pm.

There is an entry fee of \$6 per piece entered, and artists may enter up to five pieces, created in the last two years and never displayed in an AAWM show before. More than one entry in the same category may be made. Entries must be ready to display and may be excluded at the discretion of the show chairman, if deemed inappropriate or not presented ready to display. All decisions are final. **Since we display with pegboard hooks, wire hanging is much preferred. No saw-tooth hangers, and holes in metal pieces may require a wire loop, which detracts from the image, and the pieces will hang crookedly, and may be judged down.**

There will be cash awards, in addition to ribbons, dependent upon the number of entries per category or sub-category. The total amount of the cash awarded will not exceed the sum of all entry fees. The categories will be Color and B&W/Sepia/Monochromatic. Subcategories will be landscapes, animals, buildings/structures, and other. However, the show director reserves the right to place an entry in the category deemed appropriate. All decisions are final. An example of when this might happen is when a piece is the only entry in a subcategory; then entries will be classified to make all entries judged competitively. In addition to the judge's awards, the photos will compete for People's Choice awards as well as a Show Director's choice.

Artwork Guidelines – No Exceptions

Photography cannot exceed 24" x 36" or 864 inches, not including framing, and must be ready for hanging. It can be traditional as well as digital photography, and images may be digitally altered. We hang on pegboard hooks, so we need wires for hanging.
